Knapsack Sprayers

Manufactured in Mexico and distributed in Australia by Croplands, the Swissmex range of compression sprayers are the most popular sprayer used in the lawn and turf industry today. The 15-litre knapsack and the 5 and 7 litre compression sprayers are heavy duty professional sprayers that will not let you down. All models are supplied as standard with adjustable plastic nozzles and lockable triggers. Plenty of accessories are available and are supported with a full range of spare parts readily available.

The Apex 16 litre 12-volt rechargeable knapsack sprayer is your answer when a big job comes along.

Easy to use and ever reliable straight out of the box. Standard equipment includes 45cm poly lance, poly adjustable nozzle, locking trigger, Lithium-Ion battery and charger.

The Apex sprayer can have the lance upgraded to the Swissmex lance so all accessories for one can now suit both, eliminating the need for multiples of each accessory.
